#### **AMKOR ANAM TECHNOLOGY PHILIPPINES**

*August 2000 - April 2001*

*Muntinlupa City, Philippines*

##### **MACHINIST**

- Fabrication of mould, tool and dye of electronics semiconductor.
- Fabrication of tool and dye of integrated Circuit PDIP, SOIC, CERDIP and all spare parts of Semicon Electronics Accurate measuring.

#### **AMERTRON INCORPORATED**

*July 3, 1989 - July 3, 1992*

*Paranaque, Metro Manila, Philippines*

##### **MACHINIST**

- Responsible for interpretation of detailed parts and assembly drawings for fabrication and to support fabrication of all spare parts of mold machines, fabrication of shafting with thread spur gear, shafting of cooling tower and support to the facilities of the Company.
- Assemble spares of D.T.F. station like Dambar Punch, Dambar Die, Form Anvil.
- Responsible in keeping time records of the machining process of parts for costing purposes.

#### **NATIONAL POWER CORPORATION (NAPOCOR)**

*March 1988 - April 1989*

*Muntinlupa, Metro Manila, Philippines*

##### **MACHINIST**

- Responsible in fabrication of all kinds of shafting with keyway, fabrication of spare parts of Turbine
- Re-boring of Engine Block
- Fabrication of Spur Gear
- Re-facing of shafting with build-up of welding.

#### **VAN DER HORST PHILS., INC.**

*November 1986 - January 1988*

*Paranaque, Metro Manila, Philippines*

##### **MACHINIST**

- Fabrication of Hydraulic Rods
- Regrinding outside of roller
- Fabrication of bearing outside of roller.
- Fabrication of bearing shaft / force fit and sliding fit
- Machining of Pistons with build-up of welding and fabrication of valve seats.
